Section 3 – External Auditor Report and Certificate 2019/20

In respect of **DEANSHANGER PARISH COUNCIL – NH0069**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2019/20

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR where applicable:

- Section 2, Box 9 for the current year has been incorrectly completed due to an error on the summary page of the fixed asset register. The figure in Section 2, Box 9 for the current year should read £367,989
- The smaller authority has not restated the 2018/19 figure when revaluing assets in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.
- Information received from the smaller authority indicates £4,579 of refunds in 2019/20 and £977 of refunds in 2018/19 have been included as income in Section 2, Box 3. These items should have been netted off from the relevant expenditure rather than shown as income. Box 3 should therefore read £27,118 for the current year and £12,637 for the prior year, with a corresponding total reduction of £4,579 and £977 respectively in Box 6 of both years.

Other matters not affecting our opinion which we draw to the attention of the authority:

None.

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
