

Deanshanger Parish Council would like to hear from you.

West Northamptonshire Strategic Plan Consultation

The strategic Plan for the new Unitary Authority (West Northamptonshire) could include more housing for Deanshanger. The Parish Council will respond to the consultation but it is important to know the views of local residents.

Please have a look at the consultation and send any comments to the clerk on clerk@deanshangerpc.com, you should also take the opportunity to respond yourself.

The Issues Consultation is the first stage in preparing the new Plan, no decisions have been made yet and the purpose of the document is to raise awareness and stimulate debate. We have produced an Issues Consultation document which includes a series of questions on which we would like your views. In addition to the Issues document we have produced a Sustainability Appraisal Scoping Report which is available for comment and there is also an opportunity to put forward ideas for strategic sites through a 'call for sites' exercise.

The Issues Consultation document and the Sustainability Appraisal Scoping Report are available for public consultation from:

5th August to 11th October at 5pm

The consultation documents including the call for sites form are available on the Joint Planning Unit's consultation website: <https://westnorthantsplan.inconsult.uk/>. You are encouraged to visit the website and use the online forms available to respond to the consultation.

The documents are also available for inspection **at the following four Council Offices:**
